**COMMENTS:** In a compliance inspection conducted on 0218/2009, AQD staff observed operations at Genesis Yachtline. The facility has one spray booth and works on boats that are than shipped to Italy. The facility mainly conducts repairs. All products (finishes etc.) are shipped here from Italy. The finished parts are also than shipped to Italy. AQD staff spoke two workers on-site (Mark) and discussed the permit requirements. They than relayed that to the owner. He has been in contact with the department.
