**CONCRETE BATCHING PLANT
AIR GENERAL PERMIT REGISTRATION FORM**

Part II. Notification to Permitting Office

(Detach and submit to appropriate permitting office; keep copy onsite)

Instructions: To give notice to the Department of an eligible facility's intent to use this air general permit, the owner or operator of the facility must detach and complete this part of the Air General Permit Registration Form and submit it to the appropriate Department of Environmental Protection or local air pollution control program office which has permitting authority. Please type or print clearly all information, and enclose the appropriate air general permit registration processing fee pursuant to Rule 62-4.050, F.A.C. (\$100 as of the effective date of this form)

7775257-002

Registration Type

Check one:

INITIAL REGISTRATION - Notification of intent to:

- Construct and operate a proposed new facility.
 Operate an existing facility not currently using an air general permit (e.g., a facility proposing to go from an air operation permit to an air general permit).

RE-REGISTRATION (for facilities currently using an air general permit) - Notification of intent to:

- Continue operating the facility after expiration of the current term of air general permit use.
 Continue operating the facility after a change of ownership.
 Make an equipment change requiring re-registration pursuant to Rule 62-210.310(2)(e), F.A.C., or any other change not considered an administrative correction under Rule 62-210.310(2)(d), F.A.C.

Surrender of Existing Air Operation Permit(s) - For Initial Registrations Only

If the facility currently holds one or more air operation permits, such permit(s) must be surrendered by the owner or operator upon the effective date of this air general permit. In such case, check the first box, and indicate the operation permits being surrendered. If no air operation permits are held by the facility, check the second box.

- All existing air operation permits for this facility are hereby surrendered upon the effective date of this air general permit; specifically permit number(s):
 No air operation permits currently exist for this facility.

General Facility Information

Facility Owner/Company Name (Name of corporation, agency, or individual owner who or which owns, leases, operates, controls, or supervises the facility.)

Ft. Walton Concrete Company

Site Name (Name, if any, of the facility site; e.g., Plant A, Metropolis Plant, etc. If more than one facility is owned, a registration form must be completed for each.)

Ft. Walton Concrete Company, Freeport, ARMS # 7775257001-AG

Facility Location (Provide the physical location of the facility, not necessarily the mailing address.)

Street Address: Industrial Court

City: Freeport

County: Walton

Zip Code: 32535

Facility Start-Up Date (Estimated start-up date of proposed new facility.) (N/A for existing facility)

NA

Owner/Authorized Representative

<u>Name and Position Title</u> (Person who, by signing this form below, certifies that the facility is eligible to use this air general permit.) Print Name and Title: Judson B. Day, President		
<u>Owner/Authorized Representative Mailing Address</u> Organization/Firm: Bio-Tech Consulting Inc Street Address: 1312 E Cervantes City: Pensacola County: Escambia Zip Code: 32501		
<u>Owner/Authorized Representative Telephone Numbers</u> Telephone: 850-469-1100 Fax: 850-477-5008 Cell phone (optional): (850) 291-6057		

Facility Contact (If different from Owner/Authorized Representative)

<u>Name and Position Title</u> (Plant manager or person to be contacted regarding day-to-day operations at the facility.) Print Name and Title: James Campbell		
<u>Facility Contact Mailing Address</u> Organization/Firm: Fort Walton Concrete Company Street Address: 26 Industrial Street NW City: Fort Walton Beach County: Okaloosa Zip Code: 32548

Owner/Authorized Representative Statement

This statement must be signed and dated by the person named above as owner or authorized representative

I, the undersigned, am the owner or authorized representative of the owner or operator of the facility addressed in this Air General Permit Registration Form. I hereby certify, based on information and belief formed after reasonable inquiry, that the facility addressed in this registration form is eligible for use of this air general permit and that the statements made in this registration form are true, accurate and complete. Further, I agree to operate and maintain the facility described in this registration form so as to comply with all applicable standards for control of air pollutant emissions found in the statutes of the State of Florida and rules of the Department of Environmental Protection and revisions thereof.

I will promptly notify the Department of any changes to the information contained in this registration form.

Signature: Judson B. Day Date: Feb 2, 2010

Type of Facility

Check one:

Stationary Facility

Relocatable Facility

Type(s) of Reasonable Precautions Used to Prevent Unconfined Emissions

Check all precautions to be used for the management of roads, parking areas, stock piles and yards:

Pave Roads

Pave Parking Areas

Pave Yards

Maintain Roads/Parking/Yards

Use Water Application

Use Dust Suppressant

Remove Particulate Matter

Reduce Stock Pile Height

Install Wind Breaks

Check all precautions to be used for the management of drop points to trucks:

Spray Bar

Chute

Enclosure

Partial enclosure

Description of Reasonable Precautions

Below, or as an attachment to this form, provide details of all types of reasonable precautions to be used to prevent unconfined emissions at the facility.

The road and parking areas are graded and leveled on a daly basis.

Water sprinklers are utilized on the road and parking area during times of sparse rainfall.

The use of naturally occuring trees on three sides of the facility.

Description of Facility

Below, or as an attachment to this form, provide a description of the concrete batching plant operations at the facility in sufficient detail to demonstrate the facility's eligibility for use of this air general permit and to provide a basis for tracking any future equipment or process changes at the facility. Describe all air pollutant-emitting processes and equipment at the facility, and identify any air pollution control measures or equipment used.

This is a Dry Batch Plant manufactured by the Vince Hagen Company.

Plant utilizes an overhead spray bar with misting heads to control the droplet size blanket the cement/fly ash emissions, as well as the aggregate dusting.

Silo fill bag-houses to control the discharge of emissions.

NEED BAGHOUSE INFO:

- 1 MFR.
- 2 MOD. #
- 3 FILTER SIZE

SILLO INFO:

- 1 CAPACITY
- 2) PRODUCT

TRUCK LOAD OUT ?

Subject: RE: Ft Walton Concrete Freeport plant re-registration

Dick,
Below are the responses to the additional information you requested. Please let me know if you will require anything additional or need the response in a different format?

Thanks
Judson

There is one silo, Vince Hagen Mod # 12B-800/2 which corresponds to 800 bbl total capacity = 120 (total) aerated tons (90 T. cement, 30 T. Fly Ash)

Baghouse VH Mod # 245JP Jet Pulse. Cartridge Mod # 08-1522 Cartridge is 30" x 6"
Filter area total 245 sqft

Fugitive emissions - spray with small droplet sized sprayer heads, which promotes a total blanket around load hopper

Aggregate Hopper capacity is 12 cy

Plant rated output capacity is 350 cy/hr

Subject: RE: Ft Walton Concrete Freeport plant re-registration

Dear Judson,

I apologize for not responding sooner, but was out of the office last week attending a DEP workshop in Tampa and today is my first day back in the office.

Following is the information I am looking for on the form

- 1) Page 10, **Description of Facility**
 - A) Silo info
 1. Identify each silo
 2. Capacity of each (Bbls, cu.yds., or Tons)
 3. Product
 - B) Need baghouse info for each silo and which each serves
 1. Mfr (I am assuming Vince Hagen since they were indicated on the form as the Mfr of the Dry Batch Plant)
 2. Model #'s of each
 3. Filter areas (sq.ft.)
 - C) Weigh hopper/Mixer/Truck loadout?
 1. Control devices for fugitive emissions?

You may provide the details via e-mail and I will attach your response as an addendum to your original submittal.

Thank you for your assistance in this matter.

If you have any questions, comments or concerns please email or call.

Have a great day!

Sincerely,

Dick

Dick,

I received your voicemail and request for additional information about the description of the facility. Could you please reply to this email with exactly what information you will require? I want to make sure I submit everything you need the first time.

Thanks
Judson
