Dear Clair:

Pursuant to Mr. John Brown's correspondence of October 26, 1995, enclosed please find the original and three copies of the subject permit applications and compliance plan for FPL's facilities that are subject to Acid Rain permitting. Also enclosed is a copy of the Certificate of Representation, in accordance with rule 62-214.350(2), F.A.C..

For your information I am also enclosing a copy of a letter from our Designated Representative to EPA regarding the nomenclature for the Martin combined-cycle units. FPL has used our preferred nomenclature for these units in the Title IV application, pursuant to that letter. If EPA is not receptive to FPL's request, FPL will amend the Title IV application for the Martin combined-cycle units as necessary.

If you have any questions, please do not hesitate to contact me at (407) 625-7661.
