Re: Florida Power & Light Company vs. DEP; DEP Permit No. 0250003-011-AV; OGC No. 08-2486

On October 22, 2008, the Department issued an order granting Florida Power & Light Company (FPL) an extension of time to file a petition for administrative hearing through November 20, 2008, on the Department's intent to issue DEP permit no. 0250003-011-AV to FPL. FPL neither requested a further extension of time to file a petition nor filed a petition by November 20th. There being no further matters to consider, the Department's file in this matter is closed.

OGC has not received a further request for extension of time or petition on this permit. We will be closing it here and sending you a closure memo. Just out of curiosity, is this permit final now, or going on to EPA for review?

Thanks, Jon. Trina and I had a chance to discuss this morning and let's go ahead and grant this extension through Nov. 20th. The thinking is that if FPL waits until the 30th day to submit their comments (Nov. 17th) this will give us a couple days to resolve the comments without them having to request and us to grant another extension. Sound okay to you?

Good Morning Ronni,

We need to be able to issue the proposed permit as soon as the comment period ends. If we can issue the proposed the day after their extension ends, then please only grant their extension until the end of the comment period. We will communicate with them about their comments prior to the end of the comment period so they will know what to expect.

Thanks for your help. I hope you are having a great day!

Jon

Morning,

I've heard back from FPL on when they are publishing this notice of intent. Publication in the Miami Herald will be today. If you all want to only grant this extension through the 30 day comment period then that would be through Monday, Nov. 17th. FPL has asked for an extension through Dec. 8th. Please let me know what you all would like to do.

Thanks,
Ronni

THE STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION

In the Matter of an
Application for Permit by:

OGC No.
FEDP Draft Permit No.0250003-011-AV

Florida Power & Light Company
Turkey Point Fossil Plant
Miami-Dade County, Florida

REQUEST FOR ENLARGEMENT OF TIME

By and through undersigned counsel, Florida Power & Light Company ("FPL") hereby request, pursuant to Florida Administrative Code Rule 62-110.106(4), an enlargement of time, to and including December 8, 2008, in which to file a Petition for Administrative Proceedings in the above-styled matter. As good cause for granting this request, FPL states the following:

1. On or about October 2, 2008, FPL received from the Department of Environmental Protection ("Department") an "Intent to Issue Air Permit" and accompanying "Draft Permit" (No. 0250003-011-AV), which is a renewal of the existing Title V Permit for the Turkey Point Fossil Plant, which is located approximately at SW 344 Street, Homestead, Miami-Dade County, Florida.
2. Based on FPL's initial review, the Draft Permit and associated documents contain several provisions that warrant clarification or corrections.
3. FPL is preparing written comments and will be discussing with the Department possible resolutions to the issues needing clarification or correction.
4. This request is filed simply as a protective measure to avoid waiver of FPL's right to challenge certain conditions contained in the Draft Permit, in the event resolution cannot be reached. Granting this request will not prejudice either party, but will further

their mutual interest and hopefully avoid the need to file a Petition and proceed to a formal administrative hearing.

WHEREFORE, FPL respectfully requests that the time for filing of a Petition for Administrative Proceedings in regard to the Department's Intent to Issue Air Petition Permit No. 0250003-011-AV be formally extended to and including December 8, 2008.

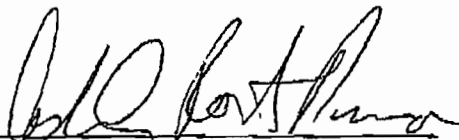

RESPECTFULLY SUBMITTED this 8th, day of October, 2008
